Dear Sponsor,

We are the North Texas Youth Orchestra, a non-profit 501(C)(3) organization that embraces young adult musicians from Plano, Carrollton, Frisco, McKinney, Allen, Richardson, Southlake, Lewisville, Denton and Dallas. Our mission is to provide opportunities for young musicians to serve their community, enrich lives through the performance of music, elevate the awareness of the arts throughout North Texas and motivate young adults to excel as musicians and community members. As we begin our musical journey for 2009-2010, NTYO will present three concerts and perform at outreach events that will directly benefit the community.

We invite you to support this cultural gem by participating in our Corporate or Concert Sponsorship Program. A sponsorship with NTYO demonstrates your support of our youth, commitment to the preservation of the arts, and community involvement -- ultimately enhancing your organization's brand loyalty. Ticket sales only cover a small percentage of the NTYO operating budget, making contributed gifts from our sponsors essential in keeping the musical education of the musicians and our outreach efforts possible. The concerts, educational programs and scholarships can only be possible with the generous support of sponsors like you.

Sponsorship brings your organization the benefits of visibility, prestige and access to an audience that is unanimous with your niche market. Your generous support showcases your involvement with the community and differentiates your company from industry competitors.

We have several levels of sponsorship and are certain that there will be a level that will best meet the needs of your organization. We will be delighted to meet with you to answer any of your questions, or you may reach us by phone or email. Thank you for allowing us the opportunity to be included in your community, and we look forward to your support and partnership.

Musically Yours,

Agnes Chelliah
